Legal Aid Committee

The **Legal Aid Committee** of Mahatma Law College is dedicated to promoting access to justice by offering free legal assistance to underprivileged sections of society. The committee organizes legal awareness camps, workshops, and community outreach programs to educate citizens about their rights and legal remedies. Comprising experienced faculty and enthusiastic law students, the committee collaborates with local legal authorities to resolve disputes and provide pro bono legal counseling. It aims to bridge the gap between the legal system and marginalized communities, ensuring justice and equality under the law while providing students practical exposure to real-world legal challenges.
