Message from Chairman

Mrs. Shobha Srivastava

-Chairman

Today, our organization has completed many glorious years I am feeling very proud to be a part of this most important and successful journey.

We have created a world which is well versed in all these fields. As part of a well-educated and distinguished family, I was very much determined to form such an organization where we can provide complete education which includes all the colors of human values. And I am feeling proud to announce that my dream of introducing a quality institution is finally turned into a reality.

I am giving all my best wishes to students, parents, staff and all the people associated with this institute. I pray to god to lead and support this established institution for all the next generations to come.

Dr. RS Pandey

-General Manager

Message from General Manager

Chitravansham Group of College is an institution of opportunities to shape up your career. We are here to help each student grow and prosper with our unsurpassed efforts. We are trying hard to provide an ideal and pleasant environment for studies.

We are proud to have a dedicated and proven team of faculties who are well versed in creating disciplined and excellent students with dynamic personalities. I warmly welcome all the students who are aspiring to become part of our institution.

We are hoping to live and thrive as a family and become a successful citizen by achieving success in life with creative and practical skills, theoretical knowledge, and innovative performance.

Message from Managing Director

Chitravansham is not just a group of institutions, that helps the students to build their career, but is an environment that helps the students to realize what their real ambition is. We believe in changing the perspective of the students for their lives and we hold a mission to see that we nurture truly great leaders. Our excellent faculty and cooperative staff inculcates the spirit of education, hunger for perfection and passion for learning, along with sincerity and loyalty.

My message to the stakeholder is :

Our students will hold the baton of leadership. This isn't a dream only but it is my word as well.

Message from Manager

Education is the most powerful weapon and you can use it to change the world. Your education enables you to choose the right path in life, change your destiny, and inspire other people, and even keeps you stronger. Leadership and learning go hand in hand. The one who learns and evolves brings change themselves in future.

Chitravansham Group of College and Family welcomes all our students. We are offering different level programs to support aspiring students to become self-dependant and get job placements. We also conduct curriculum and extracurricular activities to help each student to nurture their dreams and inspire them to achieve the same.

Mr. Prakhar Srivastava

-Managing Director

Mr. Rajneesh Mishra

-Manager

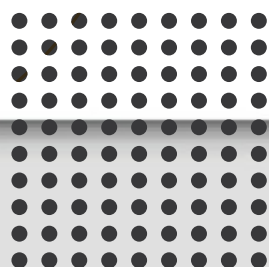

About

Chitravansham Society

Chitravansham Society is dedicated in working closely with key stakeholders in the areas of Education, Nutrition and Food Support , Training and Development Programs across domains to name a few. We have a profound team of on ground volunteers spread across the district with solid on ground project execution capabilities. Our institute runs regular training modules for introducing newer developments in the social domain for our volunteers and execution team so that they are well versed with changing dynamics of non for profit ecosystem. We have a vision in making a considerable mark in the Education and Nutrition domain primarily with regards to UTTAR PRADESH as an area where we already have a strong forte and would continue to consolidate more in this region. Our mission is to eradicate malnutrition as much as we can via our innovative nutrition feed and also we intend to impart education to as many people as we can via our enrolled courses with whom we are affiliated with. We run comprehensive scholarship programs, making education affordable and accessible to all.

About

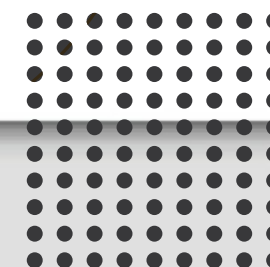

Chitravansham Group Of College

We, at **Chitravansham Group of College**, is actively engaged in increasing the status of education of the country. We provide education in such a way that every student become independent and get a way to make their future. We empower our students to enhance their skills and knowledge. Due to this, we were awarded by Dr. Dinesh Sharma (Minister of Higher Education as Deputy Chief Minister of Uttar Pradesh) in 2018 as "Excellence in Education" which is published in the Times of India.

We are committed towards promoting the job oriented courses to all those students who belong to the lower class and middle class. We focus on grooming the young generation for their better future by preparing them for a professional environment and by developing the self-confidence in the students. We organize seminars and debates so that students will get more opportunities to enhance their skills. We have got a variety of labs that helps the students in gaining the practical knowledge.

We have an excellent placement record where students joined in numerous government and private departments all across the nation. We also help the students through various scholarships programs so that they can easily pursue their education.

Along with this, we also provide secure hostel and transportation services. Due to quality education provided by us, we are renowned as one of the best private university in India. All our faculty members are net qualified whose major aim is to deliver the best education. Many types of extra-curricular activities are regularly organized in our colleges to help the students in enhancing their overall growth.

Vision

The **Chitravansham society** is committed to promote the job oriented courses to all those students who belong to the financial weaker section of the society but are willing to change their lives dynamically. We have the vision to make a technical hub of quality education for all the students and then take it a step forward by forming a technical university. The aim is to provide the top class education and bright scope for career for each and every student especially in the rural areas. Our aim is to provide the quality education to the girls, which will help them to become independent. The major objective of the society is the welfare of humanity in general and the people of India as we believe that educated citizens can make India strong economically, politically, and medically.

Mission

We have a mission to provide quality education to all those students who are not able to get it due to the lack of colleges in the underprivileged area. We focus on grooming the young generation for their better future by preparing them for the professional environment and by inducing the self-confidence in the students, especially for the girls. Our aim is to provide them holistic learning solutions so that they can contribute in making India a better nation. Our mission is to make each student independent so that they can face the challenge and become successful in their career.

**Affiliated - Indian Nursing Council New Delhi
State Medical Faculty Lucknow U.P.**

We are a part of **Chitravansham Group of College** and are managed by **Chitravansham Society**. The **Chitravansham Society** established this college in 2007 with an aim to offer the students a unique combination of professional and academic excellence. The college was established for those students who live in rural areas and do not get an education. It is recognized by the **Uttar Pradesh State Medical Faculty** along with **Indian Nursing Council**, New Delhi and is one of the best nursing college in Allahabad.

The scope of the GNM and ANM course is very high because in any government hospital or private hospital, the workers must be qualified as GNM or ANM. There are huge number of vacancies in different government departments. There are lots of opportunities such as Community Health Worker, Staff Nurse, Home Nurse, Health Visitor, Basic Health Worker & Rural Health Worker, and a lot more. Not only in India but abroad also, the diploma holders of ANM and GNM have an abundant scope.

St. Mother Tressa School of Nursing focuses on the placement of each and every student who is studying with us. We offer 100% of placement assistance to our students. We impart quality education at a reasonable and competitive fee structure. More than 800 students have been placed in the government department and many students are regularly placed in private companies as well.

Our college is one of the leading law college's, who aims to offer both academic and practical knowledge to its students. The main highlight of the course includes moot court, mock trials so that our students will become more fluent and coherent. This college is a part of **Chitravansham Group of College** and is managed by **Chitravansham Society** with an objective to provide high-quality education to our students and help them in grooming their personality to prepare them for the competitive world ahead. Due to this, we have become a fully Integrated, Socially Responsible Law College.

We provide all the facilities such as the library where you can study some extra things about the law. There is a moot court also available where you can practice for your future and develop your skills. The faculty members are highly qualified with LLM NET and experience that provide you the best way of learning. Regular seminars and guest lectures are a part of our curriculum in which many senior advocates and retired judges keep visiting our campus. We offer e-learning, smart classes along with law journals in our curriculum for a better learning.

The scope of the LLB course is largely in demand. Not only in India but abroad also, the graduates will have a golden career opportunity. We emphasize on offering all the latest technologies in such a way that it will help our students to take their career forward and help them in gaining more success in their life. Our students go on to begin their practice at district level courts along with the high court and Supreme Court as well.

RULES AND REGULATIONS

Attendance

Students are expected to attend all classes without fail. If, for unavoidable reasons, leave of absence is required, permission from competent authority should be sought. On an average 85% attendance is compulsory. If the attendance is not maintained, the college has sole rights for suspension of your admission without refund of any fees. All the attendance details will be recorded on BIO-METRIC. Any other mode of attendance will not be deemed and counted as attendance. Students are requested to abide by these rules. If you are late in any class, your attendance will not be counted for that respective subject.

Discipline, Conduct and Behaviour

1. All students should wear proper uniform with shoes & ID Card. Entry inside college is prohibited without ID Card and attendance of the day will not be marked.
2. The behavior of the students, both within and outside the college premises should be decent and befitting to a professional institution.
3. Students must park their vehicles only in the space allotted. They should not bring four-wheelers to the campus as they arrive for classes.
4. Students found guilty of ragging will be dismissed from the college as per the Supreme Court ruling.
5. Students are prohibited to bring or use mobile phones within the campus. It may lead to cause your holding of phones throughout your course by the college.
6. Students shall communicate only in good language among themselves and with the faculty members including Bus Transport & other staff. Any misbehavior would lead to termination from the institution. If any student is found defaming college identity on social media or any public place, that person will be liable for the termination from institute.

7. Students shall keep themselves informed of the instructions issued to them from time to time orally or through notices/ circulars and emails/ SMS/ College website / Student Portal/ Whatsapp as per details given on your admission form. If you have changed your contact details post admission kindly get it updated for missing out any information.

8. Students are expected to contribute towards the academic/ social/ environmental initiatives that the Institute may undertake. Your attendance is compulsory on special occasions like Independence Day or any special event as planned.

9. Students are required to keep safe custody of their valuables. They should maintain decency and decorum during cultural events, be it inside the campus or outside.

10. Laptops/ Computers are to be used within the campus for academic purposes only.

11. Any unhealthy relationship between students that might affect their academic performance, breach their personal space or affect the reputation of the institution will be strictly dealt with.

12. The College campus is strictly a no-smoking/ alcohol-free zone.

13. Students are prohibited from organizing or attending meetings in the college, distributing notices, collecting money, and exhibiting banners, flags, posters etc. without the permission of the Principal.

14. Political/ organizational activities are banned in the campus. Any damage caused to college property will be severely penalized.

15. The management shall be the final authority in the interpretation of the College rules. Matters not covered by these rules are left to the discretion of the management and his decision shall be final.

16. Documents submitted if fudged will result in termination of admission without any refund whatsoever of the admission fees.

17. Rules mentioned for Workshop, Labs & Library are completely different & to be followed separately.

18. Delay in paying fees will result in late fees charges. The payments should not exceed in more than 3 installments in academic year. All types of fees to be paid before exams commence failing to which will lead to debarment from giving examination.
